

February Highlights

GTCS

Aeronautical Society of India in association with Hindustan University had conducted a competition "Aero Talentz" the learners had to make the paper rockets and the distance of the flight was measured and then in the second round "Technical talk" was conducted. There were schools across Chennai that participated and our learner's won accolades for our school by securing 2 places (Master Sushil John of grade 5 won the second prize and Gaurav of grade 8 won the third prize). It is indeed a proud moment!!!

GIS – PADUR

February 2017 witnessed the VI Annual Day Celebrations at our open ground auditorium on the 23rd for the Kindergarten Section and on the 24th for the Primary to Senior Secondary Section.

The event on day one was graced by Mrs. Sheela Sanjeevi Founder Director, Sunny Side of Life and the day two event was graced by the Chief Guest, Consulate - General of Japan, Chennai. Mr. Junichi Fukao and the Guest of Honour Dr. Anand A. Samuel, Vice Chancellor of VIT.

Mrs. Jascintha Anton Cruz, the Managing Trustee of the school, gave away Cash Award & Certificates of Merit to the CBSE Board Toppers in the All India Senior Secondary Certificate Examination & All India Secondary School Examination. Also, awardees of Chairman's Honours List and Principal's Honours List were honoured.

It was a moment of great pride and fulfillment for the staff as they received the Awards of Excellence from Mrs. Jascintha.

While the Kindergarteners rocked the stage with a festive mood the Primary students displayed the theme of 'Times Have Changed' –from the good old golden days to the modern times. And the secondary students brought alive the varied social atrocities that suppresses humanity and how students of Gateway International School are the Trend setters - the global leaders, born to liberate the world from the shackles of evils. The programme ended with the symphony playing "We shall overcome..."

GIS – NEELANGARAI

ENTREPRENEUR WEEK

Entrepreneur week was planned for the kids of Grade I – VI to inculcate the value of money and develop entrepreneurship among children.

TIME MANAGEMENT – BODY LANGUAGE

A workshop on Time Management and Body Language was held for the teachers on 11th February to empower them to work smart and achieve more.

AMBULANCE

An Ambulance was brought to the school on 21 – 02 – 2017. The emergency medical technicians (EMTs) and the paramedics demonstrated the kids about the emergency care and treatment given to the patients before reaching the nearest hospital.
