INSPIRING EXCELLENCE

## Our School

Gateway International School – a co-educational private Senior Secondary School was founded in June 2011. Located in the pristine environs of Chennai, South India, the school is set in a picturesque ten acres site, wrapped in the calm and serene lap of mother nature. The sprawling campus, with its lush green playgrounds and organic farms, overlooking the Muttukad lake, offers a highly enlivening ambience for learning.

We, at Gateway are missioned to 'REIGN' – Reach, Explore, Innovate, Grow and Nurture students, by exposing them to the essence of Internationalism, Democracy, Environment, Adventure and Leadership. In addition, Value Education, Character development and Community Service find a prominent place in the curriculum.

Built on the strong edifice of 'Quality Education', the School provides opportunities to students to Discover Self, Think Multi-Dimensionally and Flourish with Excellence through collaborative learning.
