BUDS AND BLOSSOMS

2020 OF GATEWAY 2021

LKG-A

FROM THE LEARNER'S DESK.....

Dear Readers,

What a year it has been!!!

We are indeed, at a historic turning point. In this Excitonium we bring before you the creativity of class **LKG-A** in the form of subject based articles.

Our sincere thanks to our teachers and parents for their guidance and cooperation in bringing out this volume.

RAINY SEASON

Rainy season comes after the hot summer season and it is also called as Monsoon.

It starts in the month of June and continues until September.

It makes the environment cool, green and beautiful.

The rivers, lakes, ponds etc get full of water.

In rainy season, sometimes we can see RAINBOW.

Peacock also dance when it rains.

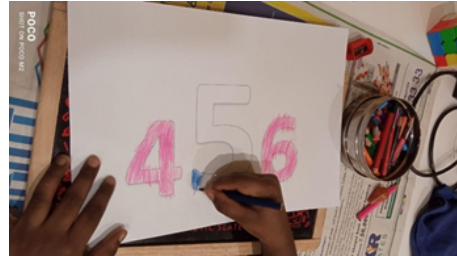

People use umbrella and raincoat in rainy season.

I love this season very much.
