## **Whole School Collaboration meeting – 5<sup>th</sup> December 2022**

A whole-school collaboration meeting was organized by Ms. Jannath, convener of the charity day, to discuss the preparatory work to be carried out by the teachers. It was decided at an earlier meeting to have a horror house, a theatre, an art gallery, artefact stalls, and so on. Each of the pre-preparatory works has been assigned to a team of teachers. They were agreed to complete it before the deadline decided in the meeting.

## **Whole School Collaboration meeting – 7<sup>th</sup> December 2022**

During the collaboration meeting, the teachers were asked to provide the status of pre-preparatory works and further support required to complete the work on time. They all informed that half of the work remains to be done and that it will be completed before December 15, 2022.

Teachers were asked to provide their fullest cooperation to their coordinators in completing the work.

## **Whole School Collaboration meeting – 14<sup>th</sup> December 2022**

The meeting was convened by the HOS to allot the incharges for each stall on the charity day. Teachers collaborated and clarified their doubts with the convener. They were provided with the price list of each stall and the procedure to be followed that day. HOS directed everyone to do their jobs flawlessly in order to achieve the goal of charity day.

## Eco-Friendly Charity Day – 17<sup>th</sup> December 2022

*"Happiness doesn't result from what we get, but from what we give" -Ben Carson*

On Saturday, December 17, 2022, the GIS IB family organized an eco-friendly charity day. A day filled with joy, happiness, and entertainment, the day started by seeking the blessings of God, the Almighty. It was a day of sharing our love and happiness with others. There were food stalls arranged by teachers to relish their taste buds. The stalls were thrilled with fun games. It was a lucky day for many, as they went with hearts full of joy and hands full of gifts. Songs and music made everyone sing throughout the day. The kids tapped and refused to leave the rocking dance floor. The movie time made the parents and the kids ask for another show. The horror house was haunting even after they left the school. The parents were overwhelmed by the artistic work of their children.

It was a celebration for our GIS family. All these entertainments were organized for the noble cause of charity. The amusement experienced was to bring smiles to the faces of the needy. We were sharing our joy and happiness with everyone, and then came full satisfaction. Teachers and students worked hard together to reap the benefits of their success on the day. The money collected from the charity drive is to be donated to an orphanage as gifts, provisions, and other required materials for them. It was a **total splash to lash out for the pinched**, and by God's grace, it was a remarkable event.

## Sharing the gifts to the Orphanage – 20<sup>th</sup> December 2022

*"We make a living by what we get. We make a life by what we give." - Winston Churchill*

On December 20, 2022, MYP and DP students and teachers from GIS IB travelled to an orphanage at Kanathur to celebrate Christmas with the underprivileged children and elderly people. The proceeds from the eco-friendly charity day were given to the orphanage in the form of provisions and daily necessities. Students of GIS IB have performed a dance and sung Christmas carols for them to make them think they are not alone. The children at the orphanage were overjoyed to receive the provisions and food products that had been distributed among them. The children thanked us for the donation before we took our leave. It filled us with immense pleasure to help the young ones at the orphanage.

## Gateway Group of Institutions Christmas Day Celebration – 21<sup>st</sup> December 2022

*“Christmas is a season not only of rejoicing but of reflection.”*

Christmas is for joy, for giving and sharing, for laughter and for coming together with family and friends. Christmas was celebrated by the Gateway Group of Schools as a Family Day on 21st December 2022, at the Padur campus. The program began with welcome greetings, which were followed by a bible reading. The nativity scene, which is synonymous with Christmas, was enacted by the GIS IB team. A vibrant choir group sang a carol relating to the events of the birth of Christ, and the teachers who enacted the roles took their positions in a beautiful manner. Christmas was celebrated with the participation of all 7 gateway groups of schools. All in all, it was a fascinating, incredible and awesome Christmas celebration.
